TRAINING

Colin has attended and delivered in-service training sessions at Physio Matters, showing a strong commitment to ongoing learning. He also leads and organises bi-monthly Brainwaves training focused on neurological rehabilitation. In addition to these regular sessions, Colin has completed several external courses that enhance his clinical expertise. For a list of current external courses Colin has attended, please contact us on 0161 681 6887.

PROFILE

Colin Green is the **Clinical Director** and founder of **Physio Matters**, established in 2000. He leads a team of 20 team members and has over two decades of experience in **neurological rehabilitation**. Colin is also co-founder of **Brainwaves Training sessions**, focusing on professional development in neurological rehabilitation.

He specialises in working with clients who struggle with traditional rehabilitation, using **innovative treatments** and **adaptive sports** to deliver personalised, functional therapy. Colin has a particular interest in enhancing the **therapeutic alliance between therapist and brain-injured client**, and also provides **expert witness services** in legal and medico-legal contexts.
