TRAINING

Sam has attended and delivered in-service training sessions at Physio Matters, showing a strong commitment to ongoing learning. He also takes part in bi-monthly Brainwaves training focused on neurological rehabilitation. In addition to these regular sessions, Sam has completed several external courses that enhance his clinical expertise. For a list of current external courses Sam has attended, please contact us on 0161 681 6887.

PROFILE

Sam Colby is a **Senior Neurological Physiotherapist** at Physio Matters, specialising in engaging clients who **struggle with traditional rehab**. He combines clinical expertise with adaptive techniques to deliver personalised, functional therapy. Sam uses tools like Anti-Gravity Treadmills and teaches **adaptive skiing** to motivate clients and support meaningful recovery. His approach focuses on **building trust**, tailoring rehab to individual goals, and helping people reconnect with their potential. At Physio Matters, Sam is committed to delivering high-quality, **person-centred care** and continues to explore innovative ways to improve lives through neurological rehabilitation.
